

Alice Van Zoeren leads bird hikes at Chippewa Run and compiled this list for us after one of her April bird hikes. From Alice: "One could not expect to see nearly all of these birds on one trip. Most are seasonal, some just fly over, some are there but quite unusual to see... those with an asterisk * in front of some of the more common ones. The list is in taxonomic order."

Common Loon (flying over)

American Bittern

Great Blue Heron

*Green Heron

Canada Goose

Wood Duck

*Mallard

*Turkey Vulture (flying over)

Bald Eagle (flying over)

Red-tailed Hawk

American Kestrel
