

Development Director, Leelanau Conservancy, Leland, MI
Deadline: September 30, 2018

Put your passion for the environment to work! Create, organize and implement our major gift, land campaign and endowment-building efforts. Are you committed to the mission of the LC, knowledgeable about the geography and demographics of our peninsula, experienced in the best practices of the nonprofit sector, and one who enjoys cultivating and engaging donors, motivating people, and achieving defined goals? Then, please send your cover letter, resume, writing sample, three references and salary requirements to searchcommittee@leelanauconservancy.org by September 30, 2018. For additional information, please visit our website at www.leelanauconservancy.org. EOE.

Qualifications:

- Minimum of 5 years of experience in major gifts and managing fundraising staff
- Bachelor's degree in related field
- Strong verbal, written and fund development systems skills
- Must be willing to work occasional long hours, weekends and overnight travel

ABOUT THE LEELANAU CONSERVANCY: We are one of the nation's top land trusts. Our mission is to conserve the land, water and scenic character of Leelanau County, Michigan. In our 29-year history, we have conserved over 13,000 acres, including 26 natural areas and preserves, 172 permanent conservation easements and 44 miles of streams and shoreline.
